OCTOBER IS BRICKTOBER!

Hello Bradford parents, Bradford Alumni and parents of Bradford Alumni, please consider buying a family brick to raise funds for the school this year!

For \$250, your family can be honored with a personalized message that will be engraved on a brick and installed around the front entrance walls of the

North Campus. There will be up

to three lines of engraving on each brick.

If you have a child at Bradford, please raise your paddle and buy a brick during the live auction November 15th or log onto the auction website and purchase one in advance - <https://www.bradfordk8auction.com>.

If you are alumni or parents of alumni, please go to BradfordPTA.com and click on the "Commit to a Brick" link and buy the brick online by November 15th.

Once you have been BRICKED, please pay it forward through October and place the brick at a neighbor's doorstep to spread the word.

Be part of this unique school and community tradition!
